

LEELA PRAVEEN NARAYANAPURAPU

PROJECT MANAGER | PMO | BUSINESS TRANSFORMATION

Jersey City, NJ | (551) 229-8194 | leelapraveen1996@gmail.com | [LinkedIn](#)

PROFESSIONAL SUMMARY

Project management professional with 5+ years of experience delivering cross-functional initiatives across technology, AI data operations, government, infrastructure, and finance. Skilled in scope, schedule, budget, risk, vendor, and dependency management, with strengths in KPI reporting, governance, process improvement, and executive communication. Lean Six Sigma Green Belt; PMP in progress.

CORE COMPETENCIES

Delivery & Controls: Project Planning, Scope, Schedules, WBS, Critical Path, Budgets, Forecasting, Risks, Issues, Dependencies

Leadership & Governance: Stakeholders, Vendors/SLAs, Resources, Change Control, Process Improvement, Executive Reporting, Agile Delivery

Tools: MS Project, Primavera P6, Jira, Confluence, SharePoint, Excel, Power BI, Visio, AutoCAD

PROFESSIONAL EXPERIENCE

Centific Global Solutions | Assistant Project Manager | New York, NY Jun 2025 - Present

- Coordinate end-to-end AI data operations programs, managing intake, scope, timelines, capacity, vendor workflows, dependencies, delivery plans, action logs, and governance documentation through Jira and Confluence.
- Identify vendor SLA risks, operational bottlenecks, and delivery dependencies; coordinate corrective actions that improved turnaround efficiency by 15%.
- Build KPI dashboards and executive reporting in Excel, Power BI, and SharePoint, improving reporting accuracy by 25% and strengthening leadership visibility.
- Standardize scheduling, capacity allocation, SOPs, and centralized documentation, improving operational throughput by 20% while reinforcing audit readiness.

Handshake | AI Trainer - Business & Finance Expert (Fellowship) | Remote Nov 2025 - Jan 2026

- Evaluated business and finance AI outputs using structured quality frameworks, standardized review workflows, and delivered performance insights supporting reliability and process consistency.

NYC Department of Finance | Project Management Intern | New York, NY Jun 2024 - Aug 2024

- Delivered compliance-focused project analysis and financial reconciliation, validating 200+ records and strengthening audit readiness and governance controls.
- Developed Excel automation and decision matrices that reduced processing time by 30%; performed root-cause analysis and workflow redesign that improved issue-resolution time by 20%, and presented findings to leadership.

Government of Andhra Pradesh | Project Manager | India Nov 2019 - Aug 2023

- Directed 5-10 concurrent infrastructure and IT programs, managing schedules, budgets, risks, resources, compliance, and stakeholder expectations across agencies, contractors, vendors, and technical teams.
- Built WBS-based schedules and critical-path analyses in Primavera P6, strengthening milestone control and reducing project delivery timelines by 15%.
- Owned budget tracking, forecasting, variance reporting, and program-status updates for senior leadership, improving transparency and supporting timely decisions.
- Led cross-agency governance and issue resolution while supervising 15+ personnel across project controls and documentation, improving turnaround efficiency by 20%.

SELECTED PROJECT

AI-Powered Virtual Fashion Platform | Academic PM Capstone | New York University 2024

- Developed an end-to-end project management plan for a hypothetical AI/AR fashion platform with a \$650K budget, 15-month roadmap, and cross-functional team spanning AI, AR, UX, QA, marketing, and sustainability.
- Produced the charter, scope, WBS, schedule, RTM, change-control process, risk register, budget controls, procurement, quality, and stakeholder plans; defined acceptance criteria for AI accuracy, AR speed, inventory synchronization, and user task completion.

EDUCATION & CREDENTIALS

New York University (NYU) | Master of Science, Project Management | Aug 2023 - Dec 2024

GPA: 3.8 | Coursework: IT Project Management, Risk Management, Financial Analysis, Process Improvement

Lakireddy Bali Reddy College of Engineering | Bachelor of Technology, Civil Engineering | Jun 2016 - Apr 2019

Credentials: Lean Six Sigma Green Belt | Project Management Professional (PMP) - In Progress
